### **Records and/or assumptions**

- **Possible death notice of Katie Trinkler February 20, 1878. This appears to be Kate Trinkler, however, she is listed as 16 Years old at her death in February 20, 1878. If this is correct, she would have had to be born in 1861 or 1862 and not been 13 in the 1870 census. A lot of the ages in the early census were very questionable.**
- **Lost track of Kate after 1870 census.**
- **1870 census Kate Trenkler believed to be Chatarine Trenkler age 36 who immigrated to Saint Louis, MO from Weimar, Germany via way of Bremen through New Orleans, LA. It also appears that she is the mother of Charles (although he is no longer in the home at time of census), Christiane 18 years old and Kate 13 years old.**
- **Could not find any record of Kate's father with her in Saint Louis, her mother may have been pregnant with Kate when she arrived in June 1855.**
