Records in hand

- **Died, July 1984.**
- **1940 census confirmed that these are Irene and William Steffen's children and all are still living at home in 1940.**
- **We have a photograph with a listing of 5 children of Irene and William Steffen. Children all adults when taken. William, Harold, Anthony, Rose and Cecilin.**
- **We have some photos of an Irene Steffen, husband is William Steffen. We believe this is the daughter of Charles and Catherine Trinkler, The photos were with Rose Reynolds (Trinkler), who lived with Irene's family in 1910 census. She was thought to be Rose's daughter but her birth date puts her as the daughter living with Charles and Catherine.**
- **Lost track of Irene after the 1910 census would have been 23 by the 1920 census and my guess is she got married and with a name change very hard to track.**

- **1910 April 1910 Census, Irene age 13 lived with her father Charles Trinkler, mother Catherine Trinkler, on 3311 Klien Street Saint Louis, MO along with one of her mother's son from her prior marriage, Leo A. Winiger age 29.**
- **June 1900 census, head of household is her mother, although she has been married for 6 years to Charles, he is not listed. Lived on 3311 Klien Street Saint Louis, MO with Rosa Trinkler (listed as daughter but believed to be Rosine Trinkler, Charles and ex wife Henricka's daughter), Katie Trinkler (listed as daughter but believed to be daughter of George Trinkler(Uncle of Charles) and Henricka (was wife of Charles possible divorced) along with Joseph and Leo Winiger (sons of Catherine Trinkler (Winiger)).**
- **No record but if you go by the census (Catherine and Charles), Irene's parents had to get married about 1886.**
