- **1800 census listed Katherine as head of household, with son Joseph Winiger 1872, daughter Carolina Winiger 1874, son Henry Winiger 1877 and son Leo Winiger 1879.**
- **Information from Winiger family decedent inform us that Joseph Winiger SR died October 30, 1879.**
- **June 19, 1871 passenger list for the S.S. Calabria New York arrival from Liverpool has Joseph and Catherine Winiger listed at age 25 for both of them. They were listed as from Germany but believe they were from Switzerland. Since we have Catherine Ulrich date of birth we are assuming that since they were both the same age (25) on June 19, 1871, that Joseph Winiger was born in 1846.**
